2 Registration Amendment was submitted to the AZCC reflecting unindicted co-conspirator  
3 S.H. as a Principal and Member.

4 7. On or about October 4, 2021, Articles of Organization were submitted to the  
5 Secretary of State of Nevada to establish SOFTEK, LLC. In this filing, unindicted co-  
6 conspirator D.C. was listed as the Managing Member.

7 8. On or about October 8, 2021, a Bank of America business checking account  
8 ending in -2888 was opened in the name of SOFTEK, LLC. D.C. was the member and  
9 signer on the account.

10 9. SOFTEK, LLC received wires from "all over," according to D.C. The  
11 account was set up to receive money from "investors" in the company's purported  
12 cryptocurrency activities. SOWERBY instructed D.C. to send varying increments from the  
13 SOFTEK, LLC account to a Signature Bank account to convert the funds to cryptocurrency  
14 and put into SOWERBY's exchange.

15 10. On or about July 19, 2023, a Certificate of Dissolution/Cancellation Limited-  
16 Liability Company was filed with the Secretary of State of Nevada, cancelling its  
17 registration to transact business in Nevada.

18 11. On or about July 26, 2023, a Statement of Foreign LLC Withdrawal was filed  
19 with the AZCC, cancelling its registration to transact business in Arizona.

20 ***Justice Capital – PerpetualJustice.com***

21 12. On or about May 15, 2022, the website PerpetualJustice.com was created and  
22 hosted by GoDaddy. The landing page reflected the name "Justice Capital" (but listed no  
23 other information other than a sign-in prompt).

24 13. Queries of the U.S. Securities and Exchange Commission yielded no  
25 registrations for Justice Capital or Perpetual Justice.

26 ***SOWERBY Convinces H.C. to Invest \$207,000***

27 14. H.C. initially learned of Justice Capital through unindicted co-conspirator  
28

1 C.C. H.C. then met with C.C. and SOWERBY in December 2022 at a warehouse located  
2 in Tempe, Arizona. SOWERBY provided a tour of the facility, which he characterized as  
3 a cryptocurrency mining facility. He explained two investment opportunities, one of which  
4 was Justice Capital.

5 15. SOWERBY explained that Justice Capital was a hedge fund, offered only to  
6 high-income earners. According to SOWERBY, as of December 2022, there were  
7 approximately 100 investors in Justice Capital. SOWERBY explained to H.C. that the  
8 investment was tied to the stock market and traded using a “bot”<sup>1</sup> algorithm involving AU  
9 stock<sup>2</sup>. SOWERBY showed H.C. the purported algorithm. They observed the purported  
10 buying and selling by the “bot” every few minutes.

11 16. SOWERBY told H.C. the investment was for one year and was guaranteed  
12 to generate 10% interest per month. H.C. was told that H.C. could withdraw interest during  
13 the year at any time but was promised an additional bonus of 24% of the principal amount  
14 at the end of the year if no earnings were withdrawn during the year. SOWERBY also  
15 personally guaranteed H.C.’s initial investment for the first year, saying he had a separate  
16 account that would back up any principal investment for H.C. for the first year if the market  
17 crashed.

18 17. SOWERBY informed H.C. that the investment was in U.S. dollars and the  
19 payout would be in Bitcoin. SOWERBY also explained that H.C. could choose to receive  
20 payouts in U.S. dollars via a wire from SOFTEK, LLC.

21 18. H.C. invested a total of \$207,000.00 in Justice Capital based on  
22 SOWERBY’s representations. In each transaction, H.C. provided a check directly to  
23 SOWERBY.

24 19. H.C. never earned any return on the “investment” and was never able to get
